

Impromed Dr.'s Production Report

The Dr.'s Production report can be found by going to the Employee reports and selecting and Running an **Employee Net Report**.

The **Employee Net Report** takes all of the items invoiced out for the employee and breaks the results down into three sections. Inventory, products, and total.

Generating the Report

1. Open the report section in Impromed – **Make Sure Date Range Matches Profit and Loss Statement Date Range.**

2. Next Select Employee Reports, then Employee Net
 - a. Select the employees who are DVM (Doctor's) in the practice, then generate the report. Save it as PDF if possible.
